Pretty easy choice for win, but odds too low. However, put him with the two closers for an exacta possibility? I don't play them, but the 6,4 paid \$60

I'd like to bet the #8, but don't have the moxie. #7 may be the real deal. If not, it's anyone's race.

Result: Should have bet him; placed second, a head behind the #1.

#8 makes a big drop into OC, best SYS1 and SYS2 by far. Huge total pace last, etc. Only problem: he's 3-5. The #2, however, is 11-1 with a monster PFN.

But I don't trust him. More logically, it would probably be the 3,5 to come in with #8. Result: #8 came in at even money, over the 5,3

#4 looks like he'll grab an easy lead, might wire. 7,8 are the best closers, and closers frequently win this distance. With 23 minutes to go, #4 is 5-1, #8 is 5-1, #7 is 4-5. We'll see how that changes. Of course this is a maiden, and I don't bet 'em unless there's a really good reason. The #4's moving in from the 7-hole, but that's probably not enough. I'll pass. I don't see the #7 at 3-5, however. Result: #4 won by a nose over the #7. I wanted to bet a 4/1,3,4,8/3,7,8 pick 3, but couldn't pull the trigger. We'll see what happens. #4 was really, really, really game winning. Great race. I'm an early speed kind of guy, and should have bet it. Another truism: scared money doesn't win.

So here's the last leg of the pick 3 I didn't play. If the 3,7,or 8 wins I might be unhappy. I put the 7 and 8 in because of their total pace last figures. I put the #3 in because of his totals and best all figures, plus average speed. #2 and #3 are both coming off of sprints, so may show some quickness. Result: Well, dang. It came in 7,3,8. .50 Pick 3 paid \$49.90 for that \$6 bet I didn't make.

#5 looks like a winner except for possibly the 1, 6, or 9 (best last race). Or the #2, a PP10T early speed horse.  
Result: #2 won and paid a measly \$6.

#1 only horse that has run this distance, but I didn't bet it.

Might take a shot on #3 if the odds stay up. They did, I did, and she didn't run as expected.

I made a teeny bet on #6 to win because it was the last race. Couldn't pass up the odds. Result: jockey had her too far back to start, finished well to be in the second flight at the wire. Result: Didn't look hard enough at #2 - early speed horse in the two-hole. 2 lengths back at the half, took over and won. Paid \$50. Phooey on maidens, anyway.
