

Here are two sets of HorseSheets: the short sheet, sorted by average speed, and the long set, sorted by closing. I've also added analyses of all the races, with selections. HOWEVER, these analyses were made from a study of the racing form, and should be used in conjunction with your own analyses and with the numbers in the HorseSheets. For example, you might want to just bet average speed, or early speed horses, or the Sheets' TOTALS column, or whatever. The analyses are there as a kind of substitute for the form. Have fun.

#1 is a BTL stepping up, switching to a lesser jock for an ok trainer. #2 is 3rd off dropping, keeping Lezcano; hasn't done much her last two, but maybe didn't like Saratoga; 2 for 18. #3 is 3rd off, stepping up, very quick, keeps Saez for RR, 2 for 6; big shot. #4 hasn't shown any capability of beating this kind. #5 3rd off, keeps Carmouche, huge drop from allowance into claiming, for excellent trainer, has shown figs that would easily win this. #6 steps up, has some decent figs, switches to Hernandez; takes blinkers off; Possible but not probable. #7 is quick, maybe not as quick as #3, but may provide trouble up front. #8 is also pretty quick, but has shown the ability to close; steps 'way up for okay connections.

I think you have to figure #3 gets the lead. If uncontested she probably goes all the way. If someone like the #7 wears her out, then the #1 may close and get the prize. Okay, I think the #3 and #1 are the most likely.

Well, what's interesting is #1 showed some surprising early speed in her last, back in May, from the 8-hole, but died like a dog. #2, archumybaby, has been claimed 6 times on the form, keeps Saez, and is a presser, 3rd off, with okay figs; just ran 13 days ago. #3 is 3rd off, gets Franco for Englehart, has run well 3rd off, has competitive figs, steps down a bit; won for more at Aqu in march. #4 has won 2 in a row, steps way up, switches to Reyes, claimed from Engelhart in last, doubtful. #5 won her last against cheaper, can't recommend. #6 has all the figs, prefers the front but was able to press and close 4 back against a bit better, decent work since, switches to Nik for Falcone, claimed in last from Rice, probably the favorite. #7 failed to threaten against much cheaper in last, no excuse, gets Jose back, maybe didn't like Monmouth in last, doesn't look as fast early as #6. I assume #6 will get the lead. If no one goes with her, she wins. #4 may try for the front, but may be too cheap.

Difficult race with the two droppers, but probably have to go with #6.

This is a crazy race. #1 is an early speed horse that just broke his maiden, moving in from the 8-hole, keeping Saez. Will almost surely set the early pace. But can he last? #2 gets Irad for Englehart, but is that enough? Doubt it. #3 was quick from the 3-hole, but not quite as quick as #1. #4 closed on what would appear to be a similar pace, with a huge fig. Can he do it again? Probably. #5 looks lost in here, gets Franco for Contessa, but would need something weird to happen to win. They're all coming from Saratoga, and only #5 has decent works at Belmont.

Obviously should set up for the #4. Put a gun to my head, I'll take #4, #1.

Assuming #1, #1A, #2, and #9 (MTO) do not run (no rain in the forecast)... #3 returns from a year layoff, drops from a G2, has decent works, get Rosario for Mott, has a shot. #4, an early speed horse, won her last, against cheaper by pressing and closing, average figs, not for me. #5 steps back up, ran a 95 here against similar two back, switches back to Lezcano, who rode her okay, should try to close, but may not be able to handle the pace. #6 is another early speed horse that looks outclassed. #7 is a closer that broke her maiden in her last, is 3rd off, gets Irad for Clement, doesn't measure up on figs, but you never know. #8 broke her maiden her on the inner turf three back, won here at 6f on the inner turf one back, ran okay against similar at SAR in last, finished 3rd in what could be a key race. #10 ran big (94) here on the inner turf one back against similar, tried to wire from the 8-hole, finished 3rd; picks up Franco, could surprise. #11 gets Johnny V back, mediocre figs, steps up a bit, can close a little, first time at Belmont. **Might look at the #3 for a longshot - improving 3-year-old with Mott and Rosario. #4, #6 and #10 may go for it on the front end, may wear out enough for #5 and/or #11 to close. However, I probably have to go with #10.**

#1 likes the front end a lot, won last by 13 with a 94, steps up, shortens, keeps Lezcano for a 30% trainer; can't rule out. #2 ran a big one (95) in last, a G2, when he was 3rd off, keeps Saez, not convinced. #3 steps up from DEL, can't recommend. #4 BTL at CNL in last, 3rd off, steps up, average figs, switches to Velazquez. #5 best last five races of the bunch, gets Rosario, been off a year, okay works. #6 pretty ight on figs. #7 picks up Irad for a 30% trainer, BTL, steps up, trainer 38% on wins 1st race after claim, good works, likes this distance, average figs, but other stuff going for him. #8 great figs in last five, picks up Jose, could surprise at 15-1. #9 is MTO. #10 drops, switches from Saez to Carmouche, decent figs, pretty quick on the front end, 3rd off, should get the lead but doesn't like to win much. Nik gets back on the #11, drops, 3rd off, figs going downhill a bit lately, needs to regain his form. **#1, #2 and #10 should go for the lead, and one of them could win. If they fade, then you've got the #5, #11, #7 and #8 trying to close. Seems like a good race for a longshot, so I'll go out on a limb with #8. Hasn't run the distance in a while, but he's a good closer with quick feet.**

Really don't have a clue in this one. Possible angles: #3 excellent works since maiden voyage, keeps Jose, bred for it. #4 runs better 2nd off the Layoff, good works. #5 cost 500k, Brown and Castellano, okay works, bred for it. #7 good works; bred for it.

#1 two G1's and a G2 in his last four, 2 for 4 at the distance. 1A decent 7-year-old, hasn't won in two years, Castellano and Brown. #2 claimed in last by good trainer, gets Franco, big race (100) in last against cheaper, okay figs other than that. #3 gets Jose back, nice last race (95) but Finished 4th, doesn't like winning much. #4 has one race in his form that would be competitive in here, two back; gets Velazquez for Pletcher. #5 is MTO. #6 is 3rd off, gets Rosario, steps up a bit, average figs. #7 gets Irad for Clement, one good race (97) five back

#3 looks like the only early foot; could go all the way. If not, probably the #1.

6f maiden turf. #1 first time turf, didn't run very fast on dirt, is quickish. #1A is an AE. #2, an FTS, has four turf works. #3 is a BTL with the highest fig on the form (80 on dirt), not much turf breeding, but 3 turf works. #4 ran okay (67) in his maiden when taken off the turf. #5 ran okay on the turf in last, his maiden, 4 decent turf works. #6 gets Johnny V. #7, a FTS, gets Jose for Linda Rice; good works, good turf and distance breeding. #8 good race on dirt (78) in last after a bit of trouble, one decent turf work, 54 day layoff. #9 is a horse with 1 turf workout, gets Franco for Bond. #10 ran okay on turf two back (77), 3rd off, keeps Saez. #11 has excellent quickness, but can't seem to hold on for the win, gets Bravo. #12 was off slow in last, still ran well (74) on the turf at SAR, was not bet down, gets Rosario. #13 and #14 are MTO.

#11 looks like the quickest of the bunch, if Bravo can get him out, but #8 may go with him. Heck, the whole bunch may try to go with him. However, I'll go with the #3 and #7 to catch the crowd, and I'll throw the #5 in as a huge longshot.

#1, first time turf, doesn't seem to have what it takes, even with the time off and Zayas getting back on takes off the blinkers. #2 looks a little better. #3 looks better yet. #4 is a BTL horse, ran a 70 in his maiden, a race that was taken off the turf. #5 drops, comes off four decent races ATDS, BTL in his last. #6 is about the same as #5, with slightly lower figs. #7 hasn't done squat on turf, but has a pretty good fig I his last (84), a race that was taken off the turf. #8 is up there with #3 for the best average speed overall. #9 runs pretty well on the turf (75 average in last four).

Not much speed in here, but they're maidens, after all. Panici got #9 out in good shape (on an iffy dirt track) in his last, maybe he'll go for the lead again. If he does, he might go all the way. However, I think the #5 and the #8 have the best chance of closing to win.

#1 has decent numbers, picks up Paco, gets blinkers, moves to new barn. #2 wired maiden claimers in last, keep Jimenez. #3 wired similar in her last with an 85; not too much before that. #4's figs are mediocre. #5 drops to a new low, keeps Zayas, used to close pretty well. #6 early speed horse without enough early speed, but 3rd off. #7 still another early speed horse without enough early speed. #8 is a nice horse, I'm sure, just Can't run very fast. #9 huge drop, pretty good figs, 2nd off after a year's vacation, excellent race 4 back.
So we figure #1 will try to steal it, and #9 will catch her. Bingo.

Yay! Another maiden race! #1 tried to wire in the mud in last at this level, couldn't do it. #2 ran like piggy in his first, although against much better company, bet down a tiny bit. #3 ran a fairly slow 4.5f in his last, against similar. #4 ran pretty well in his last, at 4.5f against similar. #5 ran well two back (67) against better, then not so good in last, takes off blinkers and adds FTL. #6 has some pretty good works. I see nothing special about 7,8,9,10, or 11.
I suppose you have to take a good look at #5, with the changes. Might also consider #1 to go early, and #6, with those good works. I think I'll bet #1, because my Corgi's name is Henry.

2
