

November 2nd, 2018

SPREEDERS' CUP EDITION№

y motto is "Live hard, love fast, die young, and make a beautiful corpse!" Of course that's impossible in my case, as you can tell from my picture up there.

First in here is what we call the short HorseSheets. I've added some comments on each horse, hopefully giving you information from the horse's form not in the sheets, and which may be important.

The point is, the comments are not selections; they're just supposed to be additional information that will help you analyze and interpret the numbers in the HorseSheets better.

By the way, we've added a column labeled BTOT. This is a figure the horse achieved in its last race which includes an internal number not found in LAST. It can point to some significant longshots, particularly in routes.

Second is the long HorseSheets, sans comments.

So, whoop it up. Have fun. And if you win a little money, that puts you in an extra special category with about 5% of the people who bet on the horses. And remember, like they say: "you can't beat a race, but you can't beat the races, either." Or something like that.

#1: early speed horse, PP10t, last two were pretty bad, 4-4 at SA, 6-10 Graded stakes wins on form, good work since, has lost to others in here.

#2: Quick, can press or wire, 3rd off, 4-6 Graded stakes on form, 2 bullets since, 2nd highest avg ATDS.

#3: Press or wire, huge fig (108) against much cheaper in last, 5-7 wins on form, with two Graded stakes wins, excellent works since, top avg fig ATDS.

#4: Very quick, Dan Ward for Hollendorfer, 6-10 wins on form, with 3 Graded stakes.

#5: 3rd off, BTL, closer, below avg figs, has lost to others in here, 0-6 in Graded races on form, decent works.

#6: Can press or wire, quick, below avg figs, 1 for 3 Graded stakes on form, good works

#7: Presser/closer, below avg figs, likes Santa Anita, won G here in last with a 91, mediocre work since.

#8: Wire or press, below avg figs, no works since 99 win against much cheaper.

#9: Wire or press, good figs, 1-4 Graded stakes wins on form, good works since.

#10: Early speed horse, pretty quick, good figs, 2 Graded stakes wins last year, good works,

#11: Early speed horse, can be VERY quick, 3-9 wins Graded stakes on form, below avg figs with two good numbers (101, 102) 2 and 4 back.

#12: Closer, decent figs, 3-5 Graded stakes wins on form, no works since decent win (96) at Kee in last, closing after stumbling at the start.

#1 and #4 are the obvious choices. Based on the PPs, no one else can win. But we know how that goes. Tons of speed in here, with no one really dominant. Possible longshot #7 may get a tight early lead, and if left alone, could go all the way. I think #1 has to go, #4 can press and close. If they both try to rate, maybe #7. If they both try to go, who knows? Maybe even #9.

Depends on how the horses feel, jockey smarts, and racing luck.

#1 PP10T switching to gifted turf rider Jose. Doesn't have enough early speed to go; needs a great ride on the rail or through traffic to win.

Will be trying to mow them all down late. Tough to do from the one-hole. 0-0 at SA. I'm leaning against, but we'll see. Possible.

#2 keeps Paco, will try to get the jump on everyone. Has blazing early speed at times. Not crazy about 8-year-olds in sprints. 0-1 at SA.

#3 is 3^{rd} off, get Frankie, who rode him at Ascot, when Paco jumps to the #2. Runs well 3^{rd} off. Top figs. Possible. 0-0 at SA.

#4 early speed, steps up in class, gets Irad for Servis, a hell of a trainer (29%), when JL Ortiz jumps to #1. 0-0 at SA. Mediocre works.

#5 won G2 in last, closing with a bit of trouble; gets Prat for O'Neil.

#6 BTL, gets Velazquez.

#7 finished second to #5 in last, closing; good figs ATDS.

#9 won last against much cheaper with a big fig (107) when 3rd off.

#10 BTL, keeps Rosario for Glatt.

#11 and #12 have run well ATDS.

#13 is capable of being the quickest in here. Can Jersey Joe get her out? Can she win from the 13-hole? 0-0 at SA. Hasn't won a graded stakes, has never run at Santa Anita. Third off, no works, under par figs.

Seems like there has to be a huge battle up front, opening it up for one or more closers, but this kind of sprint is more often won on The front end. I like #1 and #2 best, probably, with #13 as my bigtime longshot, but anyone's capable depending on how it goes. Best horses overall, according to the Fat Cowboy's numbers, are 3,2,6. Best last race: 4,9.

#1 two BTL's in a row; highest average last three, closer, top fig avg, gets JL Ortiz back, good works since, 1 for 10 at SA.

#2 BTL with trouble in last, 3rd off, gets Bejarano for Baffert, fave in last four, won one, G1 win at LRC last year, excellent works, poor start in last, probable.

#3 two huge races (108, 110) at PRX in last three, one a G3 win, gets Irad, good works, First time at SA, loves the distance, not convinced.

#4 eight graded stakes on form, won four, presser, keeps Saez, BTL, 0-0 at SA.

#5 won 4 in a row, including 2 G1's and a G2, bobbled start in last win, at SA, good works since, keeps Mike, can press or wire,

2 for 3 at SA, probable.

#6 ships in from somewhere, gets L1.

#7 can close, prefers to wire, gets Castellano for Pletcher, nice race (104) in last at PRX with Mike up, ok works, 5 graded stakes wins on form, possible

#8 ships in from Korea, won last six including 2 graded stakes, get Prat, nice work at SA.

#9 almost won a G1 in last, BTL, keep Leparoux, good works since, first ATDS.

#10 gets Santana, won last against much cheaper, no graded stakes wins.

Don't see any dominant early speed. #5 and #7 like the front end, Mike may want it more, #2 best closer ATDS,

I think #2 is most probable, but I always like Mike.

Fat Cowboy numbers like the #1 best: closer, 1 for 10 at SA, 1 for 7 at the distance, not so sure.

#1 ships in from G1 on 11/5 at Dubai, 3rd off, 7 G1's on form, won 3 closing, gets FTL, regular jockey, see no works, mystery.

#2 has won 7 of 10 G1's on the form, good work since, Velazquez and Chad, deep closer, would not be a surprise.

#3 ships in from G1 at Ascot, lost by a length, closer, possible.

#4 ships in from Dubai, won G1 in last, gets FTL, no visible works, would be a surprise but not a shock.

#5 is pretty quick, keeps Mike, wired G1 here in last from one-hole, decent works, can wire, press, or close, would be a surprise but not a shock..

#6 is quicker than #5 if that's what France wants for Chad, no G1 wins, mediocre figs, would shock.

#7 has 7 wins out of 10 graded stakes on form, good works, keeps Prat, pretty good figs, Ward for Hollendorfer, loves Santa Anita (11-12).

#8 just missed in a G1 last out at Kee after shipping from Ascot, mystery, but would be at least a big surprise.

#9 ships in from Longchamps off a G1 win, now 3rd off, beat #3 in last, Peslier ships with her, possible.

#10 comes off narrow loss at Bel in a G1, won G2 at Sar two back, now 3rd off, keeps Rosario for Motion, okay works since, possible.

#11 hasn't won since last year, keeps hopping between continents, gets Buick for O'Brien, don't see it.

#12 ships in from Newmarket after a G3 win, gets FTL and Frankie, closer, comes off 4 in a row, mostly against cheaper, not for me.

#2 looks like the most probable, but there are lots of mystery horses in here. I wouldn't ignore the #6, because this length race can Be won on the front end, particularly if all the other jockeys rate and try to catch up, but she'll deservedly be a humongous longshot.

#1 is quick, can wire or close, 7 wins in 8 races on form, 6 of them graded, gets Rosario back, loves SA, good works, probable; Rosario needs to work out a trip.

#2 is 3rd off and BTL, length loss in G2 at Kee in last, gets Smith, mediocre figs, 7 graded stakes on form, one win, best closer, still don't see it.

#3 nice race in last (104) in G1 at Bel, nose loss with a bit of trouble to #9, has lost twice to him, and twice to #4 in last four races, Irad gets up for JL, don't see it.

#4 very quick, can also close, won 3 of four last races, all G1's, hit gate in only loss - to #9, Santana for Asmussen, big shot.

#5 won a G2 in last, at KEE, 7 GS's on form, won 1, gets Velazques for Asmussen, won last two, would be a surprise but not a shock.

#6 is really quick, has never had to close, gets JL for 29% trainer, monster works since, probable.

#7 not sharp in last four races, lost to three in here, won a G1 last year, good work since, 6 years old, would be something of a shock.

#8 another really quick horse, wired big race at Prx in last (106) in G2, good work since, would be a surprise but not a shock.

#9 another quick horse, has been known to close, has beaten #4, #3, and #10 in the past, keeps Castellano, won 5 of 8 GS's, very possible.

#10 ships from Japan, no graded wins on form this year, hasn't won since last year, don't see it.

Blistering early speed in here usually means a presser/closer wins. #6 has never been headed, so figure a really hot pace. Maybe sets up for #1, #4, or huge longshot #2 if all the others fall down.

#1 just missed ATDS at Kee in last, her first in the US, a G1 won by #14, BTL, 8-yr-old, Castellano gets up, certainly possible, if not probable.

#2 nice race (104) to win a G2 at Kee in last, beaten by #8 two back, fairly deep closer, keeps Saez for McLaughlin, can't recommend.

#3 ships off a G2 win in England, closer, Tudhope ships with him, not enough info, but don't think so.

#4 hasn't won a race since March, been in the tri in last five, all GS's, gets FTL, BTL, would be a big surprise.

#5 won a G2 here ATDS in last, closing, decent avg figs, likes SA, keeps Van Dyke for Callaghan, nice works, possible.

#6 good works off G2 near miss at WO in last on very quick pace (44.2, 1.08), lost to #8, won a G1 two back, keeps Tyler for Casse, BTL, possible.

#7 likes it here, won G1 three back here ATDS, okay figs, good works since, gets Leparoux, don't think so.

#8 (love the name) G1 win at WO in last with trouble under Da Silva, who stays, good works, has beaten #6 and #2, possible.

#9 ships in from G1 win at Longchamps, keeps Moore for O'Brien, dons blinks, FTL, ML fave (don't exactly know why), 3-6 ATDS, pay attention.

#10 won a G1 at Ascot last year, not much since, FTL, Irad gets up for Chad, don't see it but can't completely rule it out.

#11 has highest avg figs, 7 GS's on form, won four, including last, a G1 at Kee, keeps Rosario for Chad, probable.

#12 has two wins on the form, a G1 at Ascot in June, and a G3 at York last year, beaten by #9 three back, don't see it.

#13 ships in, gets L1, hasn't won since May, came in ahead of Suedois three back, can't see it.

#14 closed to win G1 at Kee in last, 2nd best avg figs, Prat stays for D'Amato, 7 for 15 ATDS, possible, maybe even probable.

#15 and #16 are AE's who probably won't get in. Talamo and Velazquez with decent numbers, but either would be a surprise.

#1 won a G2 here a month ago, good works since, keeps Cedillo for Sherriffs, decent avg figs, likes SA.

#2 lost by a couple to #1 in last, decent avg figs, picks up Rosario for Sadler, good works, not impossible.

#3 just won a G2 at Prx (98), good works, maybe should have won the G1 two back at Sar, could be a bit too far for her, Sophie stays, we'll see.

#4 MLfave, won last 7 GS's, presser, Smith gets back on for Asmussen, likes Santa Anita, decent works, why not?

#5 has won 3 of last 5, all GS's, ran 101 at Kee, lost by a length to #11, distance okay, gets JL Ortiz back for Chad, possible.

#6 has lost last 2 to #4, including a G2 at Belmont, Irad gets up for Chad, big race 4 back (108) at CD, lost by a length, 0-0 at SA, not impossible.

#7 can press or wire, lost last here by two to #1, BTL, gets Velazquez for Baltas, good works since, may try for the lead, likes SA, not impossible.

#8 seems outmatched here, has had her moments, keeps regular rider Van Dyke, mediocre works, isn't crazy about SA, strikethrough.

#9 didn't run a step in last, likes to run early, very quick, gets Prat for Amoss, decent work, pop and stop?

#10 ran big in last against much cheaper, likes to run early, picks up Paco, good work, pop and stop?

#11 best avg speed figs (by 1 over #4), won G1 Spinster at Kee in last, also won it last year, Bravo stays, possible.

You'd think there'll be a contested pace in here, setting it up for horses like #4, #5, #11 and their ilk.

#1 huge race (111) in last ATDS, a G1 at Bel, lost by 3 to #11 and #12, gets turf specialist Jose back, won 4 of 10 GS's, can't ignore but can't recommend

Looks like #9's race if he comes back well and can get the distance – too many if's for me to take even money. #2 looks like the only natural early speed horse; he should take them a long way at a fairly slow pace, giving him a slight chance, but then the closers will probably kick in, Maybe the 9, 10.

^{#2} doesn't have the figs, but has quickness and is a PP8T horse, may set pace, pop and stop?

^{#3} was third in last to #2's 2nd place, BTL, keeps Prat, good works, just don't see it.

^{#4} ships in from England, FTL, O'Brien trains, hasn't won a big race yet, can't recommend.

^{#5} ships in from England, looks like deep closer, off 45 days, don't exactly know why he's 3-1 in morning line, mystery.

^{#6} finished 4th in monster race (112) ATDS in last, a G1 at Bel, lost to #11 and #12, keeps Saez for Pletcher, can't recommend, can't throw out.

^{#7} placed 2nd in nice G1 race (103) at WO in last, won a G3 two back in Baden Baden, don't think he's good enough for this.

^{#8} faded badly in last, a mile G1 at Kee, prefers to run early, gets Tyler, improvement possible but not enough, I think.

^{#9} MLfave won G1 at AP in last, 84 days ago, has won last 6, including 4 G1's, favored in last four, keeps Irad for Chad, has never run this far but should get the distance, chicken dinner?

^{#10} bangup race ATDS (107) in last at WO 49 days ago, good closer, Buick back up, won 5 of 9 GS's on form, possible, maybe probable.

^{#11} monster race (114) in G1 at Bel a month ago, beat #12, gets Castellano for Cox, good works, has lost to #2 & #12 twice, still scary.

^{#12} monster race (113) in G1 at Bel a month ago, second to #11, keeps Johnny V, likes to press, possible, I guess, maybe not probable.

#1 won a G1 at Prx in last, an excellent horse, but far too light in figs against these I'm thinking.

#2 is 3rd off, and ran some races 3, 4, and 5 back that might compete with these, good works, beaten in last by many of these, can't get excited about him.

#3 comes off two nice races, at RP (G1)and Sar (G3), is 3rd off, good works, gets Castellano for Cox, maybe in the super?

#4 is a BTL off a G1 at Prx won by #1, keeps Tyler for Casse, 1-2 ATDS, avg figs well below others in here, can't recommend.

#5 has won 2 of 10 GS's on the form, gets Smith for Mott, placed 4th in this event last year, hasn't won in over a year, doesn't look likely.

#6 has won 4 of 10 GS's on form, best figs were last year, good works, keeps Jose for Mott, doesn't excite me.

#7 had trouble in last, here, lost to #9 and #8, big race in G1 at Dmr two back, won by 5, keeps Prat, light on class but can't toss out.

#8 has won 5 of 8 GS's on form, lost to #9 in last, best recent figs avg, 0for 2 ATDS, likes SA, Smith off, Rosario up for Baffert, probable.

#9 only has one G1 win, here in last with a 105, beat #7 and #8, last win before that was in February, keeps Cedillo, up and down horse, must at least consider.

#10 won last, a G1 at Bel with 109, beating #11, gets Irad for Pletcher, good works, lost to #8 and #5 two back, could be good enough.

#11 has best last two figs by far (108 and 109), both G1's, lost by a nose to #10 in last, 3 for 7 in GS's, Johnny V stays, possible maybe probable.
