1A drops, switches to Cancel, 3rd off layoff, BTL, highest speed avg atds. Probably won't go off near 5-1; more like 5-2, I think. He may not win, be he has a lot of angles. If the odds are right, I might play the 1a with the 4,5,8 in race #2, looking for a chance at some decent odds, plus a saver.

#1, #6, #9 MTO.

I suppose #3's a remote possibility, if he can run on turf. #4 obviously looks good, especially with three okay works on turf before his 84 fig at Tam in his first race. #5 is obviously stabled at BEL, many works there, now 2nd after 4 months off; 1st at BEL; can't dismiss. I don't understand #7's favoritism, but that happens a lot. He could be the speed, I guess. #2 hasn't run on turf for over a year, but is in the one-hole and has shown some speed in the past on dirt; have to figure Franco will send him. #3 has never run on turf. #8 has a couple of really good turf races in his past. So who knows? Anyone could pop up and win it. Maybe you go with connections: #4. But at even money? T

#8 looks interesting, as does #2. #6 might sneak in for a peek at odds.

Terrible race for #3 in the slop last out. #9 could be the controlling speed; looks best if #13 doesn't get in. #5 good connections.
